

Internship in Cargo Offer Development (limited 6 months, 80-100%, all genders)

Do you want to get more insights in Air Cargo processes and operation? We offer an exciting opportunity within the Cargo Offer Development team, which is firmly positioned within Swiss WorldCargo, the Cargo Division of Swiss International Air Lines.

Tasks

The Cargo Offer Development team defines the Cargo offer portfolio with its products and services as well as the definition and worldwide implementation of its processes. It also assures the constant monitoring of operational Quality and Performance and is leading the strategic Supplier Management.

You will work on assigned projects related to cargo operational processes with either own lead or in support of the Offer Development team. You interface with different Cargo departments on a global level, with LH Group partners, other SWISS entities, and third-party suppliers around the world. In addition to your projects, you will play an important role in supporting the team with daily tasks.

- Lead or contribute to an assigned project and its roll-out
- Coordinate the requirements and collaborate with all internal & external stakeholders
- Evaluate business cases with established tools, reports and data analysis
- Support the Offer Development team with daily operational tasks
- Analyze and advance current operational processes for improvement potential

Requirements

- Workload Specification: For this position, an 100% workload is preferred
- HF diploma, Bachelor's, Master's students or graduates (HF diploma & Bachelor's students must have completed at least three semesters)
- Strong analytical skills
- Solution-, detail- and result-orientated, problem solver in an efficient way
- Able to work both independently and as part of a team
- Good knowledge of Microsoft Office applications Outlook, Word, Excel, PowerPoint
- Well organized and able to manage multiple tasks/projects
- Skillful communication across all levels
- Fluent communication/writing skills in English
- Ideally first experiences in the management/coordination of projects

About Swiss International Air Lines AG

It's the little differences that make working at SWISS so appealing. The fact, for example, that we treat every detail with care, see quality in terms of hospitality and view nationality through an international lens. In a similar way, we see variety as richness, a job as an experience and SWISS as a world of inspiration. You, too, will be stimulated in our special working environment – one in which, wherever you are, you'll always feel: Truly SWISS.... where people matter.
