

SURF

the thrill of opportunities

Embark on a career
that lets you explore the world.

BE OUR JUNIOR TALENT

Are you a passionate traveller with a love for Asia?

Have you completed a training in the travel industry? Are you between 20 to 25 years old who enjoys working with computer systems and engaging with people? Are you fluent in at least one European language (German/French/Spanish/Italian), and English? If this sounds like you, we'd love to hear from you!

About the job:

- Collaborating with our Product Directors
- Providing support in administrative and operational areas
- Recording and maintaining master data for reservation systems, internet, price calculations,

- Assisting with the production of catalogues

What we offer:

- A motivated and forward-thinking team that makes work not just enjoyable but enriching
- Opportunity for a part-time home office work
- 5-week vacation and training trips
- Work at one of our offices across 14 countries in Asia, or Switzerland
