

EPOS UHREN AG is a manufacturer of high-quality mechanical watches based in Lengnau. The family-owned company specializes in complex timepieces with its own modules and produces watches for the international market.

We are looking immediately or by arrangement for a creative and driven

Social Media Manager (m/w) 20%-30%, mostly remote

Responsibilities:

- Develop and manage social media strategies.
- Create engaging content for platforms like Facebook, Instagram, TikTok, LinkedIn, etc.
- Monitor social media trends and performance.
- Respond to followers and engage with the online community.
- Collaborate with marketing teams to promote campaigns.

Requirements:

- Experience in social media management.
- Strong understanding of social media platforms and tools.
- Excellent communication and writing skills (English & German are mandatory).
- Creativity and attention to detail.
- Ability to work independently and as part of a team.

This is an excellent opportunity for a student or recent graduate to gain hands-on experience in managing social media channels for a growing company.

Join us and help grow our online presence!

How to Apply:

Send your resume and portfolio by the 15th of October to Massimiliano Grotto,

Epos Uhren AG, Solothurnstrasse 44, 2543 Lengnau
